Phrasing & style

\*semi occluded vocal tract exercises

# CHRISTINA BOCK

Her passion for singing and mentorship as well as her appearance in over 60 roles has made her a well known artist in the classical music world. Christina's unique approach combines her deep understanding of vocal techniques with personalized coaching methods, empowering aspiring artists to discover and nurture their individual talents. She is specialised in semi occluded vocal tract exercises.

@Sandra Ludewig

# PETR POPELKA

This season, Petr Popelka steps in as Chief Conductor of the Vienna Symphony Orchestra. Renowned for his dedication to opera, he has also established a strong reputation on global concert stages as a guest conductor with diverse international orchestras. Additionally, he is deeply devoted to supporting young musicians through the scholarship program “future 21”

@Susanne Hassler-Smith
